- (a) To provide an effective framework for co-operation and consultation between tropical timber producing and consuming members with regard to all relevant aspects of the tropical timber economy;
- (b) To promote the expansion and diversification of international trade in tropical timber and the improvement of structural conditions in the tropical timber market, by taking into account, on the one hand, a long-term increase in consumption and continuity of supplies, and, on the other, prices which are remunerative to producers and equitable for consumers, and the improvement of market access;

- (c) To promote and support research and development with a view to improving forest management and wood utilization;
- (d) To improve market intelligence with a view to ensuring greater transparency in the international tropical timber market;
- (e) To encourage increased and further processing of tropical timber in producing member countries with a view to promoting their industrialization and thereby increasing their export earnings;
- (f) To encourage members to support and develop industrial tropical timber reforestation and forest management activities;
- (g) To improve marketing and distribution of tropical timber exports of producing members;
- (h) To encourage the development of national policies aimed at sustainable utilization and conservation of tropical forests and their genetic resources, and at maintaining the ecological balance in the regions concerned.

CHAPTER X MISCELLANEOUS

Article 29 Complaints and Disputes

Any complaint that a member has failed to fulfil its obligations under this Agreement and any dispute concerning the interpretation or application of this Agreement shall be referred to the Council for decision. Decisions of the Council on these matters shall be final and binding.

Article 30 General Obligations of Members

1. Members shall for the duration of this Agreement use their best endeavours and cooperate to promote the attainment of its objectives and to avoid any action contrary thereto.

2. Members undertake to accept as binding decisions of the Council under the provisions of this Agreement and shall seek to refrain from implementing measures which would have the effect of limiting or running counter to them.

Article 31 Relief from Obligations

1. Where it is necessary on account of exceptional circumstances or emergency or force majeure not expressly provided for in this Agreement, the Council may, by special vote, relieve a member of an obligation under this Agreement if it is satisfied by an explanation from that member regarding the reasons why the obligation cannot be met.

2. The Council, in granting relief to a member under paragraph 1 of this article, shall state explicitly the terms and conditions on which, and the period for which, the member is relieved of such obligation, and the reasons for which the relief is granted.

Article 32

Differential and Remedial Measures and Special Measures

1. Developing importing members whose interests are adversely affected by measures taken under this Agreement may apply to the Council for appropriate differential and remedial measures. The Council shall consider taking appropriate measures in accordance with section III, paragraphs 3 and 4, of resolution 93 (IV) of the United Nations Conference on Trade and Development.

2. Members in the category of least developed countries as defined by the United Nations may apply to the Council for special measures in accordance with section III, paragraph 4, of resolution 93 (IV) and with paragraph 82 of the Substantial New Programme of Action for the 1980s for the Least Developed Countries.

CHAPTER XI FINAL PROVISIONS

Article 33

Depositary

The Secretary-General of the United Nations is hereby designated as the depositary of this Agreement.

Article 34

Signature, Ratification, Acceptance and Approval

1. This Agreement shall be open for signature at United Nations Headquarters from 2 January 1984 until one month after the date of its entry into force by Governments invited to the United Nations Conference on Tropical Timber, 1983.

2. Any Government referred to in paragraph 1 of this article may:

(a) At the time of signing this Agreement, declare that by such signature it expresses its consent to be bound by this Agreement (definitive signature); or

(b) After signing this Agreement, ratify, accept or approve it by the deposit of an instrument to that effect with the depositary.

Article 35

Accession

1. This Agreement shall be open for accession by the Governments of all States upon conditions established by the Council, which shall include a time-limit for the deposit of instruments of accession. The Council may, however, grant extensions of time to Governments which are unable to accede by the time-limit set in the conditions of accession.

2. Accession shall be effected by the deposit of an instrument of accession with the depositary.

Article 36
Notification of Provisional Application

A signatory Government which intends to ratify, accept or approve this Agreement, or a Government for which the Council has established conditions for accession but which has not yet been able to deposit its instrument, may, at any time, notify the depositary that it will apply this Agreement provisionally either when it enters into force in accordance with article 37, or, if it is already in force, at a specified date.

Article 37
Entry into Force

1. This Agreement shall enter into force definitively on 1 October 1984 or on any date thereafter, if 12 Governments of producing countries holding at least 55 per cent of the total votes as set out in annex A to this Agreement, and 16 Governments of consuming countries holding at least 70 per cent of the total votes as set out in annex B to this Agreement have signed this Agreement definitively or have ratified, accepted or approved it or acceded thereto pursuant to article 34, paragraph 2, or article 35.

2. If this Agreement has not entered into force definitively on 1 October 1984, it shall enter into force provisionally on that date or on any date within six months thereafter, if 10 Governments of producing countries holding at least 50 per cent of the total votes as set out in annex A to this Agreement, and 14 Governments of consuming countries holding at least 65 per cent of the total votes as set out in annex B to this Agreement, have signed this Agreement definitively or have ratified, accepted or approved it pursuant to article 34, paragraph 2, or have notified the depositary under article 36 that they will apply this Agreement provisionally.

3. If the requirements for entry into force under paragraph 1 or paragraph 2 of this article have not been met on 1 April 1985, the Secretary-General of the United Nations shall invite those Governments which have signed this Agreement definitively or have ratified, accepted or approved it pursuant to article 34, paragraph 2, or have notified the depositary that they will apply this Agreement provisionally, to meet at the earliest time practicable to decide whether to put this Agreement into force provisionally or definitively among themselves in whole or in part. Governments which decide to put this Agreement into force provisionally among themselves may meet from time to time to review the situation and decide whether this Agreement shall enter into force definitively among themselves.

4. For any Government which has not notified the depositary under article 36 that it will apply this Agreement provisionally and which deposits its instrument of ratification, acceptance, approval or accession after the entry into force of this Agreement, this Agreement shall enter into force on the date of such deposit.

5. The Secretary-General of the United Nations shall convene the first session of the Council as soon as possible after the entry into force of this Agreement.

Article 38 *Amendments*

1. The Council may, by special vote, recommend an amendment of this Agreement to the members.

2. The Council shall fix a date by which members shall notify the depositary of their acceptance of the amendment.

3. An amendment shall enter into force 90 days after the depositary has received notifications of acceptance from members constituting at least two thirds of the producing members and accounting for at least 85 per cent of the votes of the producing members, and from members constituting at least two thirds of the consuming members and accounting for at least 85 per cent of the votes of the consuming members.

4. After the depositary informs the Council that the requirements for entry into force of the amendment have been met, and notwithstanding the provisions of paragraph 2 of this article relating to the date fixed by the Council, a member may still notify the depositary of its acceptance of the amendment, provided that such notification is made before the entry into force of the amendment.

5. Any member which has not notified its acceptance of an amendment by the date on which such amendment enters into force shall cease to be a party to this Agreement as from that date, unless such member has satisfied the Council that its acceptance could not be obtained in time owing to difficulties in completing its constitutional or institutional procedures, and the Council decides to extend for that member the period for acceptance of the amendment. Such member shall not be bound by the amendment before it has notified its acceptance thereof.

6. If the requirements for the entry into force of the amendment have not been met by the date fixed by the Council in accordance with paragraph 2 of this article, the amendment shall be considered withdrawn.

Article 39 *Withdrawal*

1. A member may withdraw from this Agreement at any time after the entry into force of this Agreement by giving written notice of withdrawal to the depositary. That member shall simultaneously inform the Council of the action it has taken.

2. Withdrawal shall become effective 90 days after the notice is received by the depositary.

Article 40
Exclusion

If the Council decides that any member is in breach of its obligations under this Agreement and decides further that such breach significantly impairs the operation of this Agreement, it may, by special vote, exclude that member from this Agreement. The Council shall immediately so notify the depositary. Six months after the date of the Council's decision, that member shall cease to be a party to this Agreement.

Article 41
*Settlement of Accounts with Withdrawing or Excluded
Members or Members Unable to Accept an Amendment*

1. The Council shall determine any settlement of accounts with a member which ceases to be a party to this Agreement owing to:

- (a) Non-acceptance of an amendment to this Agreement under article 38;
- (b) Withdrawal from this Agreement under article 39; or
- (c) Exclusion from this Agreement under article 40.

2. The Council shall retain any contribution paid to the Administrative Account by a member which ceases to be a party to this Agreement.

3. A member which has ceased to be a party to this Agreement shall not be entitled to any share of the proceeds of liquidation or the other assets of the Organization. Nor shall such member be liable for payment of any part of the deficit, if any, of the Organization upon termination of this Agreement.

Article 42
Duration, Extension and Termination

1. This Agreement shall remain in force for a period of five years after its entry into force unless the Council, by special vote, decides to extend, renegotiate or terminate it in accordance with the provisions of this article.

2. The Council may, by special vote, decide to extend this Agreement for not more than two periods of two years each.

3. If, before the expiry of the five-year period referred to in paragraph 1 of this article, or before the expiry of an extension period referred to in paragraph 2 of this article, as the case may be, a new agreement to replace this Agreement has been negotiated but has not yet entered into force either definitively or provisionally, the Council may, by special vote, extend this Agreement until the provisional or definitive entry into force of the new agreement.

4. If a new agreement is negotiated and enters into force during any period of extension of this Agreement under paragraph 2 or paragraph 3 of this article, this

Agreement, as extended, shall terminate upon the entry into force of the new agreement.

5. The Council may at any time, by special vote, decide to terminate this Agreement with effect from such date as it may determine.

6. Notwithstanding the termination of this Agreement, the Council shall continue in being for a period not exceeding 18 months to carry out the liquidation of the Organization, including the settlement of accounts, and, subject to relevant decisions to be taken by special vote, shall have during that period such powers and functions as may be necessary for these purposes.

7. The Council shall notify the depositary of any decision taken under this article.

Article 43 *Reservations*

Reservations may not be made with respect to any of the provisions of this Agreement.

In witness whereof the undersigned, being duly authorized thereto, have affixed their signatures under this Agreement on the dates indicated.

DONE at Geneva on the eighteenth day of November, one thousand nine hundred and eighty-three, the texts of this Agreement in the Arabic, English, French, Russian and Spanish languages being equally authentic. The authentic Chinese text of this Agreement shall be established by the depositary and submitted for adoption to all signatories and States and intergovernmental organizations which have acceded to this Agreement.
