POLICE COURT APPEAL

A.G. -v- Jason Michael Hill

**BAILIFF:** "We think there was a reasonable possibility Mr. Dart, that what you have said may well have occurred in the learned Magistrates mind that he may inadvertently have had regard to the fact that this was the second time it may have been committed - but actually not recorded. I mean he really ought to have referred to the record only and because there is that possibility - we cannot be sure - but we would not wish your client to be left with a sense of injustice which could arise and therefore the appeal is allowed. Legal Aid costs.
