7. Comments (optional)

The Complainant has rights in the mark "UCL" and in the phrase "UCL Finance". In the absence of any explanation from the Respondent as to legitimate purpose, an inference that the registration is abusive arises from the name itself, which would be liable to confuse individuals into believing that the domain was associated with the Complainant.

8. Decision

I grant the Complainant's application for a summary decision. In accordance with section 12 of the Policy, the domain name will therefore be transferred to the Complainant.

or

~~I refuse the Complainant's application for a summary decision. The domain name registration will therefore remain with the Respondent.~~
