### **Decisions of the tribunal**

1. The tribunal grants dispensation from the consultation requirements under s20 ZA of the Landlord and Tenant Act 1985.

### **The application**

2. The Applicant seeks dispensation from the consultation requirements under s20ZA of the Landlord and Tenant Act 1985.
3. The relevant legal provisions are set out in the Appendix to this decision.

### **The hearing**

4. A written application was made by Warwick Estates as managing agent on behalf of the freeholder Fables Estates Ltd
5. A bundle of correspondence and documents was supplied to the tribunal.

### **The background**

6. The property which is the subject of this application is a property which has been converted into four flats. Water damage appears to have occurred to flat 1 as a result of leaking gutters. Works are required to repair the leak as a matter of urgency. Dispensation is sought from the consultation requirements of section 20 of the Landlord and Tenant Act 1985 in order to allow the works to proceed.
7. A copy of the lease for flat 1 has been supplied in the bundle and the lease is for a term of 99 years from 25 December 1978 with a ground rent and service charge payable. The landlord is responsible for repairing the external walls and structure including the main load-bearing walls, the foundations, roof, storage tanks, gutters and rainwater pipes of the block subject to payment of the service charge.
8. Notice of the proposed works has been given to the lessees with an indication of the intention to seek dispensation under 20 section 20 ZA of the Landlord and Tenant Act 1985. Water penetration was noted to flat three and reported to the managing agents. Contractors were instructed to attend and provided an initial estimate for scaffolding and repair works which exceeded the limit for consultation. The agents wrote to the four leaseholders advising them of the problem and their proposed course of action. The relevant repairs fall under the Landlord's repairing obligations. Repair works were put in hand.

### **The tribunal's decision**

9. The tribunal grants dispensation from the consultation requirements of under s20 ZA of the Landlord and Tenant Act 1985 and the Service Charges (Consultation Requirements) (England) Regulations 2003.

### **Reasons for the tribunal's decision**

10. The works are required to ensure the watertight integrity of the building is maintained. The tribunal is satisfied that the works are required urgently to avoid further damage.
11. The tribunal is satisfied that the four leaseholders are aware of the works required and the majority have agreed to them. Three leaseholders, flats 1,3 and 4 have returned forms to the tribunal confirming their agreement to the works.
12. The tribunal considers that there is no prejudice to the leaseholders in granting dispensation.
13. The tribunal is satisfied that dispensation should be granted.

## **Rights of appeal**

By rule 36(2) of the Tribunal Procedure (First-tier Tribunal) (Property Chamber) Rules 2013, the tribunal is required to notify the parties about any right of appeal they may have.

If a party wishes to appeal this decision to the Upper Tribunal (Lands Chamber), then a written application for permission must be made to the First-tier Tribunal at the regional office which has been dealing with the case.

The application for permission to appeal must arrive at the regional office within 28 days after the tribunal sends written reasons for the decision to the person making the application.

If the application is not made within the 28 day time limit, such application must include a request for an extension of time and the reason for not complying with the 28 day time limit; the tribunal will then look at such reason(s) and decide whether to allow the application for permission to appeal to proceed, despite not being within the time limit.

The application for permission to appeal must identify the decision of the tribunal to which it relates (i.e. give the date, the property and the case number), state the grounds of appeal and state the result the party making the application is seeking.

If the tribunal refuses to grant permission to appeal, a further application for permission may be made to the Upper Tribunal (Lands Chamber).
