

Environmental Information Regulations 2004 (EIR)

Decision notice

Date: 2 November 2022

Public Authority: Health and Safety Executive
Address: Freedom of Information Unit
Knowledge Centre
1G Redgrave Court
Merton Road
L20 7HS

Decision (including any steps ordered)

1. The complainant requested information from the Health and Safety Executive ("HSE") relating to asbestos at the Walthamstow Town Hall complex. By the date of this notice, the HSE had not issued a substantive response to this request.
2. The Commissioner's decision is that the HSE has failed to respond to the request within 20 working days and has therefore breached regulation 5(2) of the EIR.
3. The Commissioner requires the HSE to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response to the request in accordance with its obligations under the EIR.
4. The HSE must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Freedom of Information Act and may be dealt with as a contempt of court.

Request and response

5. On 22 July 2022, the complainant made the following request for information to the HSE:

"Please will you forward copies of correspondence (e-mails, letters, etc.) regarding asbestos in LBWF's Walthamstow Town Hall complex between the HSE and NPS London Ltd in the period 2015 to 2020?"
6. The HSE acknowledged the request on 15 September 2022. To date, a substantive response to the request has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 16 September 2022 to complain about the HSE's failure to respond to this request.
8. The Commissioner contacted the HSE on 20 September 2022 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
9. Despite this intervention, the HSE has failed to respond to the complainant.
10. The scope of this notice and the following analysis is to consider whether the HSE has complied with regulation 5(2) of the EIR.

Reasons for decision

11. Regulation 5(1) of the EIR states that:

"a public authority that holds environmental information shall make it available on request."
12. Regulation 5(2) of the EIR states that:

"Information shall be made available under paragraph (1) as soon as possible and no later than 20 working days after the date of receipt of the request."
13. From the evidence provided to the Commissioner in this case, it is clear that the HSE did not deal with the request for information in accordance

with the EIR. The Commissioner's decision is that the HSE has breached regulation 5(2) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the EIR.
