

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 24 April 2023

Public Authority: Medicines and Healthcare Products Regulatory Agency

Address: 10 South Colonnade
Canary Wharf
London
E14 4PU

Decision (including any steps ordered)

1. The complainant requested information relating to the Infected Blood Enquiry or Infected Blood Compensation. By the date of this notice the Medicines and Healthcare Products Regulatory Agency ("the MHRA") had not issued a substantive response to this request.
2. The Commissioner's decision is that the MHRA has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the MHRA to take the following step to ensure compliance with the legislation.
 - The MHRA must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The MHRA must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 3 January 2023, the complainant wrote to the MHRA and requested information in the following terms:

“Please provide copies of all correspondence relating to the Infected Blood Inquiry or Infected Blood Compensation sent to or received by the below persons (including any attachments) during the period 1st October 2022 - 3rd January 2023.

 - 1) Chief Executive Officer: [REDACTED]
 - 2) [REDACTED] (Chief Safety Officer)”
6. The MHRA acknowledged the request on 9 January 2023. To date, a substantive response has not been issued.

Reasons for decision

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 27 March 2023 the Commissioner wrote to the MHRA, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days. Despite this intervention, the MHRA has failed to respond to the complainant.
10. From the evidence provided to the Commissioner in this case, it is clear that the MHRA did not deal with the request for information in accordance with FOIA. The Commissioner finds that MHRA has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
