

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 12 July 2023

Public Authority: Harrogate and District NHS Foundation Trust

Address: Trust Headquarters
Harrogate District Hospital
Lancaster Park Road
Harrogate
HG2 7SX

Decision (including any steps ordered)

1. The complainant requested information relating to TheValueCircle LLP and the work commissioned to them. By the date of this notice the Harrogate and District NHS Foundation Trust ("the Trust") had not issued a substantive response to this request.
2. The Commissioner's decision is that the Trust has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Trust to take the following step to ensure compliance with the legislation.
 - The Trust must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Trust must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 7 April 2023, the complainant wrote to the Trust and requested information in the following terms:

“Please disclose:

- 1) All pieces of work and projects that the trust has commissioned from the company TheValueCircle LLP Company Number OC419158
- 2) Total spending on TheValueCircle's services and products to date
- 3) Which consultants supplied by TheValueCircle have undertaken the work for the trust
- 4) Any reports produced by TheValueCircle arising from the work undertaken for the trust
- 5) Who/ what bodies/ organisations recommended TheValueCircle to the trust? Did NHS England or any of its predecessor bodies suggest that the trust hire TheValueCircle?”

6. The Trust has not acknowledged the request.

Reasons for decision

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 13 June 2023 the Commissioner wrote to the Trust, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
10. Despite this intervention the Trust has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that the Trust did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Trust has breached section 10(1) by failing to respond to the request within 20

working days and it is now required to respond to the request in accordance with FOIA.
