

BL O/376/06
28th December 2006

PATENTS ACT 1977

PARTIES	Danyang Ying, Titanox Developments Limited, Rohan Martyn Newby and Deliang Zhang
ISSUE	Mention of additional inventor for patent number EP (UK) 1007750 under Section 13(1)
HEARING OFFICER	S M Williams

DECISION

- 1 European Patent (UK) No. 1007750 names two inventors, Rohan Martyn Newby and Deliang Zhang.
- 2 Danyang Ying has now made an application in accordance with section 13(1) of the Act to the effect that he ought also to have been mentioned as an inventor.
- 3 Mr M J Selby, Chairman of Directors, has provided written consent to the application on behalf of the patent proprietor. Rohan Martyn Newby and Deliang Zhang have also confirmed in writing that they consent to the application filed by Danyang Ying. I therefore conclude that the relevant parties agree that Danyang Ying should also be named as an inventor.
- 4 Accordingly I find that Danyang Ying should be mentioned as a joint inventor in the granted EP (UK) patent and I direct, in accordance with rule 14(5), that an addendum slip mentioning him as a joint inventor be prepared for the granted patent for the invention.
