shall, subject to the provisions of this and the next following section, be conferred by an order (in this Act referred to as a

Temporary powers for speedy acquisition of land in urgent cases.

2.—(1) Where during the period of five years beginning with the commencement of this Act any authority (hereinafter referred to as a “ confirming authority ”) having power to authorise the compulsory purchase of land by a local authority for any purpose is satisfied—

- (a) that it is expedient that the local authority (hereinafter referred to as the “ acquiring authority ”) should purchase any land for the said purpose, and

(b) that it is urgently necessary in the public interest that the acquiring authority should be enabled to obtain possession of the land without delay,

then if apart from this section the acquiring authority could be authorised by the confirming authority under any enactment to purchase the land compulsorily for the said purpose in accordance with the provisions of the foregoing section or of the Town and Country Planning Act, 1944, the acquiring authority may, in lieu of being so authorised in accordance with the said provisions, be so authorised, subject to the provisions of the Third Schedule to this Act, by an authorisation in writing given by the confirming authority under this subsection.

(2) Where during the period aforesaid the Minister of Transport is satisfied that it is expedient that he should purchase any land under any enactment mentioned in paragraph (b) of subsection (1) of the foregoing section, or the Board of Trade are satisfied that it is expedient that they should purchase any land under the Distribution of Industry Act, 1945, and the Minister or Board are satisfied that it is urgently necessary in the public interest that the Minister or Board should be enabled to obtain possession of the land without delay, the Minister or Board may, in lieu of being authorised to purchase the land in accordance with the provisions of the foregoing section or of the said Act of 1945, be so authorised, subject to the provisions of the Third Schedule to this Act, by an authorisation in writing given by the Minister or Board under this subsection. 8 & 9 Geo. 6.
c. 36.

In the following provisions of this section and in the Third Schedule to this Act the expressions "acquiring authority" and "confirming authority" include the Minister of Transport or Board of Trade acting under this subsection.

(3) At any time not earlier than seven days nor later than three months after the giving of an authorisation under this section the acquiring authority may enter on, and take possession of, the land to which the authorisation relates notwithstanding that the purchase of the land has not been completed.

(4) Where the acquiring authority has taken possession of land pursuant to an authorisation under this section, the authority shall have power to purchase the land compulsorily as if authorised so to do under the enactment referred to in subsection (1) or (2) of this section, and in accordance with the provisions of the foregoing section, the Town and Country Planning Act, 1944, or the Distribution of Industry Act, 1945, as the case may be, and the provisions of Part IV of the Second Schedule to this Act; and the authority shall as soon as may be after taking possession of the land serve notice under section eighteen of the Lands Clauses Consolidation Act, 1845, of its intention to take the land and shall in all respects be liable as if such notice had been given on the date of the authority's entering 7 & 8 Vict.
c. 18.

on the land, except that the power conferred by subsection (2) of section five of the Acquisition of Land (Assessment of Compensation) Act, 1919, to withdraw such a notice shall not be exercisable.

(5) A power to enter on and take possession of land conferred by an authorisation given under this section may, save as provided in the Third Schedule to this Act, be exercised without notice to or the consent of any person and without compliance with sections eighty-four to ninety of the Lands Clauses Consolidation Act, 1845, but subject to payment of the like compensation, and interest on the compensation agreed or awarded, as the acquiring authority would have been required to pay if the provisions of those sections had been complied with.

(6) Notwithstanding anything in the two last foregoing subsections, where apart from this subsection the compensation for the compulsory purchase of land in respect of which an authorisation has been given under this section would be reduced by virtue of paragraph 9 of the Fifth Schedule to the Town and Country Planning Act, 1944 (which relates to purchases under that Act of houses unfit for human habitation), the reduction shall not be made unless an order under the said paragraph 9 has come into operation before the date on which the acquiring authority took possession of the land.

(7) While the acquiring authority is in possession of land pursuant to an authorisation given under this section, the authority shall be treated, as regards the use of the land and the rights of other persons affected by the use thereof, as if the authority had completed the purchase of the land; and in particular any provision for the extinction of rights over the land on completion of the purchase thereof shall apply as if the authority had completed the purchase thereof at the time when possession thereof was taken.

(8) In this section references to the use of land include references to the erection of buildings or structures on the land and the carrying out of work thereon.

(9) If at any time before the expiration of the period during which authorisations may be given under this section an address is presented to His Majesty by each House of Parliament praying that the said period shall be extended for a further year from the time at which it would otherwise expire, His Majesty may by Order in Council direct that the said period shall be so extended.

Power to extinguish certain public rights of way over land acquired.

3.—(1) Subject to the provisions of this section, where land is acquired, or proposed to be acquired,—

(a) in pursuance of a compulsory purchase order made under section one of this Act or an authorisation given under section two thereof, or

- (b) by agreement for a purpose, and by an authority, such that the compulsory acquisition of the land could be authorised by such an order or authorisation as aforesaid,

and there subsists over any part of the land a public right of way, not being a right enjoyable by vehicular traffic, then if the Minister of Town and Country Planning (hereafter in this section referred to as "the Minister") is satisfied that a suitable alternative right of way has been or will be provided, or that the provision thereof is not required, he may by order extinguish the right of way as from such time as may be specified in the order, not being earlier than—

- (i) the making of the order,
- (ii) if in the exercise of any power conferred by this Act or by agreement the acquiring authority takes possession of the land before the acquisition thereof is completed, the date on which the authority takes possession of the land,
- (iii) if the acquiring authority does not take possession of the land in the exercise of any such power as aforesaid, the date on which the acquisition of the land is completed :

Provided that where a right of way is extinguished under this subsection at a date before the acquisition of the land in question is completed, then if at any time thereafter it appears to the Minister that the proposal to acquire the land has been abandoned, he shall by order direct that the right shall revive, without prejudice, however, to the making of a new order extinguishing the right.

(2) The Minister shall cause a notice stating the effect of any order that he proposes to make under this section extinguishing a right of way, and specifying the time (not being less than twenty-one days from the publication of the notice) within which, and the manner in which, objections to the proposal may be made, to be published in such manner as appears to him to be requisite, and in any case where the acquiring authority is not the local planning authority (that is to say, the council specified in subsection (1) of section two of the Town and Country Planning Act, 1932) for the area in which the land is situated shall serve a like notice on the said local planning authority. ^{22 & 23 Geo. 5. c. 48.}

(3) If any objection to the proposal is duly made and is not withdrawn, the Minister shall, before making the order, cause a public local inquiry to be held.

(4) No order shall be made under subsection (1) of this section extinguishing a right of way over land on, over or under which there is any apparatus belonging to statutory undertakers

unless the undertakers consent to the making of the order, and any such consent may be given subject to the condition that there are included in the order such provisions for the protection of the undertakers as they may reasonably require.

The consent of statutory undertakers to any such order shall not be unreasonably refused, and any question arising under this subsection whether any requirement or refusal is reasonable shall be determined by the appropriate Minister.

(5) The foregoing provisions of this section shall not apply in any case where section twenty-three of the Town and Country Planning Act, 1944 (which relates to the extinction of public rights of way over land acquired or appropriated for the purposes of Part I of that Act) applies.

(6) Except as provided by the foregoing provisions of this section or by the said section twenty-three, nothing in this Act shall be taken to authorise the extinction of any public right of way.

- (b) any other action is taken by virtue of which compulsory purchase under any enactment of an interest in such land becomes obligatory, or
- (c) there is withdrawn a notice to treat for the compulsory purchase under any enactment of an interest in any land that has sustained war damage any of which had not been made good at the time when the notice to treat was served,

or as soon as may be after that date, the person or body of persons by whom the action is taken shall notify the War Damage Commission that the action has been taken :

Provided that this subsection shall not apply to a notice to treat deemed to have been served by virtue of the Sixth Schedule to the Town and Country Planning Act, 1944.

(2) If any person or body of persons, being authorised under any enactment to purchase compulsorily land which has sustained war damage, enter into an agreement for the purchase of an interest in the land and at the date when the agreement is made any of the damage has not been made good, the person or body of persons shall, on or as soon as may be after that date, notify the War Damage Commission that they have entered into the agreement.

(3) Any notification under this section may be given to the War Damage Commission by delivering it to an officer of the Commission at any office of the Commission, or by sending it in a pre-paid registered letter addressed to the Commission at any office of the Commission.

(2) Subsections (2) and (3) of section two hundred and ninety of the Local Government Act, 1933 (which relate to the giving of evidence on inquiries) and in relation to a proposed acquisition of land by a local authority, or to the proposed extinction of a right of way over land acquired or proposed to be acquired by a local authority, subsections (4) and (5) of that section (which relate to the defraying of costs of inquiries) shall apply to a public local inquiry held in pursuance of this Act as they apply to the inquiries mentioned in subsection (1) of the said section two hundred and ninety, but with the substitution for references to a department of references to a Minister.

6.—(1) The enactments specified in the Fourth Schedule to this Act shall have effect subject to the amendments specified in the second column of that Schedule, being minor amendments or amendments consequential on the passing of this Act. ^{Minor and consequential amendments.}

(2) Any reference in subsection (1) of section one of this Act or in paragraph 1 of the First Schedule thereto to an enactment contained in an Act specified in the said Fourth Schedule shall be construed as if the said amendments had been in force immediately before the commencement of this Act.

(3) For the removal of doubt it is hereby declared that any power conferred by or under this Act or any enactment passed before the commencement thereof to purchase land compulsorily is, except in so far as any express provision of any such enactment restricts the exercise of the power, exercisable notwithstanding any other enactment providing that the land shall be inalienable.

Application
of s. 1 to
local Acts.

7.—(1) Where, apart from this Act, power to authorise a local authority to purchase land compulsorily is conferred by any enactment contained in a local Act and in force immediately before the commencement of this Act, the Minister of Health may by order made on the application of the local authority direct that section one of this Act shall apply in relation to the enactment as if the enactment were contained in a public general Act :

Provided that nothing in an order under this section shall empower the authorisation of a compulsory purchase in accordance with the provisions of section two of this Act.

(2) Where an order has come into operation under this section the last foregoing section shall apply as if the local Act to which the order relates were specified in the Fourth Schedule to this Act, and as if there were specified in the second column of that Schedule such amendments of the local Act as may be provided for in the order, being amendments appearing to the Minister to be consequential on the making of the order.

(4) Notwithstanding anything in the two last foregoing sub-paragraphs, the confirming authority may require any person who has made an objection to state in writing the grounds thereof, and may disregard the objection for the purposes of this paragraph if the confirming authority is satisfied that the objection relates exclusively to matters which can be dealt with by the tribunal by whom the compensation is to be assessed.

5. The order as confirmed by the confirming authority shall not, unless all persons interested consent, authorise the acquiring authority to purchase compulsorily any land which the order would not have authorised that authority so to purchase if it had been confirmed without modification.

Special provisions as to certain descriptions of land.

8. The following provisions of this Part of this Schedule shall have effect in the case of land of the descriptions specified in subsection (2) of section one of this Act.

9. A compulsory purchase order shall, in so far as it authorises the compulsory purchase of land which is the property of a local authority, or has been acquired by statutory undertakers, not being a local authority, for the purposes of their undertaking, or of land belonging to the National Trust which is held by the Trust inalienably, be subject to special parliamentary procedure in any case where an objection to the order has been duly made by the local authority or statutory undertakers or the National Trust, as the case may be, and has not been withdrawn.

10. Where a compulsory purchase order has been submitted or prepared and the land comprised in the order includes land which has been acquired by statutory undertakers for the purposes of their undertaking, then if on a representation made to the appropriate Minister before the expiration of the time within which objections to the order can be made the appropriate Minister is satisfied—

(a) that any of the said land is used for the purposes of the carrying on of their undertaking, or

(b) that an interest in any of the said land is held for those purposes,

the compulsory purchase order shall not be confirmed or made so as to authorise the compulsory purchase of any land as to which the appropriate Minister is satisfied as aforesaid except land as to which he is satisfied that its nature and situation are such—

- (i) that it can be purchased and not replaced without serious detriment to the carrying on of the undertaking, or
- (ii) that if purchased it can be replaced by other land belonging to, or available for acquisition by, the undertakers without serious detriment to the carrying on thereof,

and certifies accordingly.

11.—(1) In so far as a compulsory purchase order authorises the purchase of any land forming part of a common, open space or fuel or field garden allotment, the order shall be subject to special parliamentary procedure unless the Minister of Agriculture and Fisheries (in the case of a common or of a fuel or field garden allotment) or the Minister of Town and Country Planning (in the case of an open space not being a common or such an allotment) is satisfied—

- (a) that there has been or will be given in exchange for such land other land, not being less in area and being equally advantageous to the persons, if any, entitled to rights of common or other rights, and to the public, and that the land given in exchange has been or will be vested in the persons in whom the land purchased was vested, and subject to the like rights, trusts and incidents as attach to the land purchased, or
- (b) that the land is required for the widening of an existing highway and that the giving in exchange of other land is unnecessary, whether in the interests of the persons, if any, entitled to rights of common or other rights or in the interests of the public,

and certifies accordingly.

(2) Where it is proposed to give a certificate under this paragraph, the Minister having jurisdiction to give the certificate shall give public notice of his intention so to do, and—

- (a) after affording opportunity to all persons interested to make representations and objections in relation thereto, and
- (b) after causing a public local inquiry to be held in any case where it appears to him to be expedient so to do, having regard to any representations or objections made,

the said Minister may, after considering any representations and objections made and, if an inquiry has been held, the report of the person who held the inquiry, give the certificate.

(3) A compulsory purchase order may provide for vesting land given in exchange as mentioned in sub-paragraph (1) of this paragraph in the persons, and subject to the rights, trusts and incidents, therein mentioned, and for discharging the land purchased from all rights, trusts and incidents to which it was previously subject,

12. A compulsory purchase order, in so far as it authorises the purchase of land being, or being the site of, an ancient monument or other object of archaeological interest, shall be subject to special

parliamentary procedure unless the Minister of Works certifies that the acquiring authority has entered into an undertaking with the Minister to observe such conditions as to the use of the land as in his opinion are requisite having regard to the nature thereof.

13. As soon as may be after the giving of a certificate under this Part of this Schedule, the local authority or Minister by whom the compulsory purchase order was submitted or prepared shall publish in one or more local newspapers circulating in the locality in which the land comprised in the order is situated a notice in the prescribed form stating that the certificate has been given.

14. In the case of land falling within two or more of the preceding paragraphs of this Part of this Schedule a compulsory purchase order shall be subject to special parliamentary procedure if required to be subject thereto by any of the said paragraphs.

PART IV.

15.—(1) If any person aggrieved by a compulsory purchase order desires to question the validity thereof, or of any provision contained therein, on the ground that the authorisation of a compulsory purchase thereby granted is not empowered to be granted under this Act or any such enactment as is mentioned in subsection (1) of section one of this Act, or if any person aggrieved by a compulsory purchase order or a certificate under Part III of this Schedule desires to question the validity thereof on the ground that any requirement of this Act or of any regulation made thereunder has not been complied with in relation to the order or certificate, he may, within six weeks from the date on which notice of the confirmation or making of the order or of the giving of the certificate is first published in accordance with the provisions of this Schedule in that behalf, make an application to the High Court, and on any such application the Court—

- (a) may by interim order suspend the operation of the compulsory purchase order or any provision contained therein, or of the certificate, either generally or in so far as it affects any property of the applicant, until the final determination of the proceedings ;
- (b) if satisfied that the authorisation granted by the compulsory purchase order is not empowered to be granted as aforesaid, or that the interests of the applicant have been substantially prejudiced by any requirement of this Schedule or of any regulation made thereunder not having been complied with, may quash the compulsory purchase order or any provision contained therein, or the certificate, either generally or in so far as it affects any property of the applicant.

(2) Except by leave of the Court of Appeal, no appeal shall lie to the House of Lords from a decision of the Court of Appeal under the last foregoing sub-paragraph

16. Subject to the provisions of the last foregoing paragraph, a compulsory purchase order or a certificate under Part III of this

- (b) references to the promoters of the undertaking shall be construed as references to the authority authorised by the compulsory purchase order to purchase the land.

2. The following sections of the Lands Clauses Consolidation Act, 1845, shall be excepted from incorporation as aforesaid, that is to say—
