## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order designates the areas in the districts and counties specified in Article 2 and the Schedules as rural areas for the purposes of section 17 of the Housing Act 1996 (the right to acquire) and section 1AA(3)(a) of the Leasehold Reform Act 1967 (additional right to enfranchise). The right of tenants of registered social landlords to acquire their homes under sections 16 and 17 of the 1996 Act and the right of tenants with long leases to enfranchise under section 1AA of the 1967 Act do not apply in respect of properties in areas which have been designated as rural areas. In the case of tenants with long leases, the additional conditions in section 1AA(3)(b) and (c) of the 1967 Act must be fulfilled before the right to enfranchise is excluded.

Those parishes in Schedule 1 are exempt in their entirety from the right to acquire and the additional right to enfranchise. Those parishes and the unparished areas in Schedule 2 contain areas which are exempt from the rights. The maps indicate which areas are excluded. The parish mentioned in article 2(c) contains one area which is not exempt from the rights, while the remainder of the parish is a designated rural area. Prints of the maps may be inspected during normal office hours at the offices of the Department of the Environment, Eland House, Bressenden Place, London SW1E 5DU.
