EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in airspace in the vicinity of RAF Fairford, Gloucestershire, during the arrival, rehearsals, displays and departure of aircraft participating in the Royal International Air Tattoo 2014, organised by the Royal Air Force Charitable Trust Enterprises and scheduled to take place between 9th and 14th July 2014.

The flying displays will include flypasts and high speed aerobatics by British and foreign military and civil aircraft and it is anticipated that a large number of members of the public will attend as spectators. In order to provide for the safety of aircraft involved, other aircraft in the vicinity and persons on the ground, the Civil Aviation Authority considers that access to the airspace in the vicinity of RAF Fairford during the rehearsals, displays and on the departure day (14th July) should be restricted as provided in regulation 3. This has been agreed with the Department for Transport.

Full details of the airspace restrictions will be promulgated by Aeronautical Information Circular and NOTAM.

Further enquiries of the Civil Aviation Authority may be made to Mr R E J Gratton, Safety and Airspace Regulation Group, Principal Airspace Regulator, telephone 020 7453 6586.
