## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations set maximum amounts recoverable by counting officers and Regional Counting Officers for their services and expenses in relation to the referendum on whether the United Kingdom should remain a member of the European Union.

Under paragraph 16 of Schedule 3 to the European Union Referendum Act 2015 (c. 36) counting officers and Regional Counting Officers may recover their charges for services and expenses, provided they were necessarily rendered or incurred for the efficient and effective conduct of the referendum and the total does not exceed the overall maximum recoverable amount specified by the Minister in regulations. Under paragraph 16(4) the regulations may specify maximum recoverable amounts for particular services and expenses.

Regulations 2, 3 and 4, and Schedule 1, deal with counting officers. Schedule 1 lists by voting area the maximum recoverable amount for the specified services (column 2), the maximum recoverable amount for the specified expenses (column 3) and the overall maximum recoverable amount (column 4).

Regulations 4, 5 and 6, and Schedule 2, deal with Regional Counting Officers. Schedule 2 lists by region the maximum recoverable amount for the specified services (column 2), the maximum recoverable amount for the specified expenses (column 3) and the overall maximum recoverable amount (column 4).

An impact assessment has not been produced for this instrument because no impact on the private or voluntary sectors is foreseen.
