EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in airspace in various locations in the east of England for flypast rehearsals that are scheduled to take place there on the three days of 3rd to 5th June 2019. As timings for this event are critical and the formation may not be able to take effective avoiding action, the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the relevant areas to avoid the risk that transient aircraft may disrupt the formation.

In relation to regulation 3, the term 'aircraft' includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

The times mentioned in regulation 3 are Co-ordinated Universal Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(4)(b), the HQ AIR Queen's Birthday Flypast 2019 Project Officer may be contacted on telephone number 01760 337261 extension 6664 or extension 6661.

Full details of the Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Airmen (NOTAM).
