### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations impose restrictions on flying in airspace in the vicinity of Southwold, Suffolk, Essex, Greater London, Buckinghamshire and Oxfordshire by reason of the intended holding of a large formation flypast of aircraft to commemorate Her Majesty The Queen's Birthday on 8th June 2019. As timings for this event are critical and the formation may not be able to take effective avoiding action, the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the relevant areas to avoid the risk that transient aircraft may disrupt the formation.

In relation to regulation 3, the term 'aircraft' includes aircraft as classified by Part 1 of Schedule 4 to the Air Navigation Order 2016. It also includes, by virtue of article 23 of that Order, any small balloon, any kite weighing not more than two kilograms, any small unmanned aircraft and any parachute including a parascending parachute.

Regulation 3, relating to the day of the flypast, creates flying restrictions by reference to two sets of timings. This is to cater for the possibility of a delay for reasons of poor weather or security. If the earlier times are used, the later restrictions will be lifted by means of the necessary clearance or permission.

The times mentioned in regulation 3 are Co-ordinated Universal Time (UTC), which for the purpose of these Regulations is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(9)(b) and 3(11)(b), the HQ AIR Queen's Birthday Flypast 2019 Project Officer can be contacted on telephone number 01760 337261, extensions 6664 or 6661.

The point of contact in the Civil Aviation Authority is Mr R E J Gratton, Principal Airspace Regulator, Safety and Airspace Regulation Group, on telephone number 07917 614249.
