(This note is not part of the Regulations)

These Regulations impose restrictions on the flying of aircraft in the vicinity of a number of sites due to the holding of the Rali Ceredigion that is scheduled to take place from 30th August to 1st September 2024, inclusive.

In view of the large number of spectators attending, the fixed wing, rotary wing and unmanned aircraft involved in both the filming of the rally and the relay of broadcast data, and the transport of rally officials and VIP guests to and from the various stages, the Civil Aviation Authority and the Department for Transport agree that the flying of unmanned aircraft should be restricted in the vicinity of the event for reasons of public safety.

The times mentioned in regulation 3(1) and the Schedule are Co-ordinated Universal Time (UTC) which is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(2)(a), the Rali Ceredigion helicopter co-ordinator may be contacted as notified.

Full details of this Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Aviation (NOTAM).
