TRAITÉ.

Le Président de la République française, Sa Majesté le Roi de Grande-Bretagne, d'Irlande et des Territoires britanniques au-delà des mers, Empereur des Indes (en ce qui concerne le Royaume-Uni de Grande-Bretagne et d'Irlande du Nord), et le Président de la République turque,

Désirant conclure un traité de caractère réciproque dans l'intérêt de leur sécurité nationale et s'assurer une assistance mutuelle pour résister à l'agression,

Ont désigné pour leurs Plénipotentiaires, savoir :

Le Président de la République française :

M. René Massigli, Ambassadeur Extraordinaire et Plénipotentiaire, Commandeur de la Légion d'Honneur ;

Sa Majesté le Roi de Grande-Bretagne, d'Irlande et des Territoires britanniques au-delà des mers, Empereur des Indes (pour le Royaume-Uni de Grande-Bretagne et d'Irlande du Nord) :

Sir Hughe Montgomery Knatchbull-Hugessen, K.C.M.G., Ambassadeur Extraordinaire et Plénipotentiaire ;

Le Président de la République turque :

M. le Docteur Refik Saydam, Président du Conseil, Ministre des Affaires Étrangères *ad int.*, Député d'Istanbul ;

Lesquels, après avoir échangé leurs pleins pouvoirs reconnus en bonne et due forme, sont convenus des dispositions suivantes :

ARTICLE 1^e.

Dans le cas où la Turquie serait engagée dans des hostilités avec une Puissance européenne à la suite d'une agression commise par cette Puissance contre la Turquie, la France et le Royaume-Uni coopéreront effectivement avec la Turquie et lui prêteront toute l'aide et toute l'assistance en leur pouvoir.

⁽¹⁾ For translation see page 8.

ARTICLE 2.

(1) Dans le cas d'un acte d'agression commis par une Puissance européenne et conduisant dans la zone méditerranéenne à une guerre où la France et le Royaume-Uni seraient impliqués, la Turquie collaborera effectivement avec la France et le Royaume-Uni et leur prêtera toute l'aide et toute l'assistance en son pouvoir.

(2) Dans le cas d'un acte d'agression commis par une Puissance européenne et conduisant dans la zone méditerranéenne à une guerre où la Turquie serait impliquée, la France et le Royaume-Uni collaboreront effectivement avec la Turquie et lui prêteront toute l'aide et toute l'assistance en leur pouvoir.

ARTICLE 3.

Aussi longtemps que demeureront en vigueur les garanties données par la France et par le Royaume-Uni à la Grèce et à la Roumanie par leurs déclarations respectives du 13 avril 1939, la Turquie coopérera effectivement avec la France et le Royaume-Uni et leur prêtera toute l'aide et toute l'assistance en son pouvoir, dans le cas où la France et le Royaume-Uni seraient engagés dans des hostilités du fait de l'une ou de l'autre des garanties susmentionnées.

ARTICLE 4.

Dans le cas où la France et le Royaume-Uni seraient engagés dans des hostilités avec une Puissance européenne à la suite d'une agression commise par cette Puissance contre l'un ou l'autre de ces États sans que les dispositions des articles 2 et 3 trouvent leur application, les Hautes Parties Contractantes se consulteront immédiatement.

Il est toutefois convenu que, dans une telle éventualité, la Turquie observera au moins une neutralité bienveillante à l'égard de la France et du Royaume-Uni.

ARTICLE 5.

Sans préjudice des dispositions de l'article 3 ci-dessus, dans le cas :

- (1) soit d'une agression commise par une Puissance européenne contre un autre État européen dont le Gouvernement d'une des Hautes Parties Contractantes se serait, avec l'approbation dudit État, engagé à aider à maintenir l'indépendance ou la neutralité contre une telle agression,
- (2) soit d'une agression commise par une Puissance européenne, et qui, bien que dirigée contre un autre État européen, constituerait dans l'opinion du Gouvernement d'une des Hautes Parties Contractantes une menace à sa sécurité propre,

les Hautes Parties Contractantes se consulteront immédiatement en vue d'entreprendre toute action commune qui serait reconnue efficace.

ARTICLE 6.

Le présent Traité n'est dirigé contre aucun pays. Il a pour but d'assurer à la France, au Royaume-Uni et à la Turquie une aide et une assistance mutuelles pour résister à l'agression si la nécessité s'en présentait.

ARTICLE 7.

Les dispositions du présent Traité sont également valables comme engagements bilatéraux entre la Turquie et chacune des deux autres Hautes Parties Contractantes.

ARTICLE 8.

Si les Hautes Parties Contractantes se trouvent engagées dans des hostilités à la suite de l'application du présent Traité, elles ne concluront d'armistice ou de paix que d'un commun accord.

ARTICLE 9.

Le présent Traité sera ratifié et les instruments de ratification seront déposés simultanément à Ankara aussitôt que faire se pourra. Il entrera en vigueur à la date de ce dépôt.

Le présent Traité est conclu pour une durée de quinze ans. Si aucune des Hautes Parties Contractantes n'a notifié aux deux autres son intention d'y mettre fin six mois avant l'expiration de ladite période, le Traité se trouvera renouvelé par tacite réconduction pour une nouvelle période de cinq ans et ainsi de suite.

ACCORD SPÉCIAL.

LES Gouvernements de la République française, du Royaume-Uni de Grande-Bretagne et d'Irlande du Nord et de la République turque, désireux de régler, en connexion avec le Traité en date de ce jour, certaines questions d'ordre financier et économique ou relatives à des fournitures de matériel de guerre, intéressant la Turquie, sont convenus des dispositions suivantes :

ARTICLE 1^e.

Le Gouvernement français et le Gouvernement du Royaume-Uni ouvrent à la Turquie un crédit de £25,000,000 destiné à couvrir les fournitures de matériel de guerre prévues à l'Article 2 ci-dessous.

Dans ce montant sont compris le crédit de francs français 460,000,000 et celui de £10,000,000 que les Gouvernements français et du Royaume-Uni ont antérieurement déclaré mettre à la disposition de la Turquie pour le même objet.

Le crédit susvisé sera remboursable en vingt ans ; il portera intérêt à 4 pour cent.

Les conditions de remboursement feront l'objet d'un arrangement ultérieur sans que l'élaboration de cet arrangement puisse ralentir l'envoi des matériels visés à l'Article 2 ci-dessous.

ARTICLE 2.

Le Gouvernement français et le Gouvernement du Royaume-Uni assureront à la Turquie, dans le plus bref délai possible, la fourniture des matériels qui font l'objet de l'ouverture de crédit stipulée à l'Article 1, alinéa 2.

Une Commission comprenant des représentants qualifiés des trois Gouvernements se réunira dans le plus bref délai à Paris ou à Londres pour arrêter le programme de fournitures correspondant au surplus du crédit stipulé à l'Article 1.

Sans attendre la mise au point de ce programme, la Commission déterminera les matériels dont la livraison devra avoir lieu de toute urgence. A cet effet, elle tiendra compte de la nécessité de mettre sans retard la Turquie en état de résister efficacement à une attaque qui pourrait être dirigée à bref délai contre ses frontières en Europe ; elle tiendra compte également des possibilités immédiates des Gouvernements français et du Royaume-Uni.

ARTICLE 3.

Les stipulations des Articles 1 et 2 ci-dessus ne préjugent pas des arrangements qui pourraient intervenir entre les trois Gouvernements, au cas où ils se trouveraient engagés en commun dans des hostilités en exécution du Traité en date de ce jour, pour fournir à la Turquie le matériel qui serait reconnu nécessaire.

ARTICLE 4.

Le Gouvernement français et le Gouvernement du Royaume-Uni accorderont à la Turquie un emprunt de £15,000,000. La contre-valeur en or de ce montant sera remise au Gouvernement turc à Ankara par le Gouvernement français et le Gouvernement du Royaume-Uni.

Cet emprunt sera remboursable dans les mêmes délais que le crédit de fournitures visé à l'Article 1 ci-dessus ; il portera intérêt à 3 pour cent.

Le Gouvernement français et le Gouvernement du Royaume-Uni acceptent que le service et l'amortissement de cet emprunt soient faits en livres turques qui seront utilisées pour des achats de tabacs ou, après accord, d'autres produits turcs.

ARTICLE 5.

Le Gouvernement français et le Gouvernement du Royaume-Uni mettront respectivement à la disposition de la Turquie :

le Gouvernement français un emprunt représentant la contre-valeur en francs français à la date de ce jour de £1,500,000,

et le Gouvernement du Royaume-Uni un emprunt de £2,000,000.

Le Gouvernement turc s'engage sur ces montants à accorder la priorité au déblocage des créances commerciales françaises inscrites à ce jour au compte de Clearing jusqu'à concurrence de la contre-valeur en francs français à la date de ce jour de £1,500,000 et à celui des créances commerciales britanniques inscrites à ce jour au compte de Clearing jusqu'à concurrence de £2,000,000.

Ces emprunts seront assujettis aux mêmes conditions d'intérêt et de remboursement que l'emprunt visé à l'Article 4.

Le présent Accord sera considéré comme partie intégrante du Traité conclu en date de ce jour entre la France, le Royaume-Uni et la Turquie.

Il entrera en vigueur en même temps et dans les mêmes conditions que ce Traité.

En foi de quoi les Plénipotentiaires soussignés, dûment autorisés à cet effet, ont signé le présent Accord et y ont apposé leurs cachets.

Fait à Ankara, en triple exemplaire, le dix-neuf octobre mil neuf cent trente-neuf.

SPECIAL AGREEMENT.

THE Governments of the French Republic, of the United Kingdom of Great Britain and Northern Ireland and of the Turkish Republic, desiring to regulate, in connexion with the Treaty signed this day, certain questions concerning Turkey of a financial and economic nature or relative to deliveries of war material, have agreed as follows:—

ARTICLE 1.

The French Government and the Government of the United Kingdom place at the disposal of Turkey a credit of £25,000,000 destined to cover the supplies of war material referred to in Article 2 below.

In this sum are included the credit of 460,000,000 French francs and that of £10,000,000 which the French Government and the Government of the United Kingdom have already declared their readiness to place at the disposal of Turkey for the same purpose.

The credit referred to above shall be repaid in 20 years; it shall carry interest at 4 per cent.

The conditions of repayment shall be the object of a subsequent arrangement; the elaboration of this arrangement shall not, however, delay the despatch of the material referred to in Article 2 below.

ARTICLE 2.

The French Government and the Government of the United Kingdom shall supply to Turkey, as soon as possible, the material forming the subject of the credit mentioned in Article 1, paragraph 2.

A commission comprising qualified representatives of the three Governments shall meet as soon as possible in Paris or London in order to draw up the programme of deliveries corresponding to the surplus of the credit stipulated in Article 1.

Without awaiting the completion of this programme, the commission shall determine the supplies the delivery of which shall be effected as a matter of urgency. For this purpose the commission shall have regard to the necessity of placing Turkey without delay in a position to offer effective resistance to an attack which might be directed at short notice against her European frontiers; it shall equally have regard to the immediate possibilities of the French Government and the Government of the United Kingdom.

ARTICLE 3.

The stipulations of Articles 1 and 2 above shall not affect any arrangements which may be made between the three Governments in the event of their becoming engaged together in hostilities in execution of the Treaty signed this day, for the purpose of furnishing Turkey with the material which might be recognised as necessary.

ARTICLE 4.

The French Government and the Government of the United Kingdom shall grant to Turkey a loan of £15,000,000. The equivalent in gold of this amount shall be delivered to the Turkish Government at Angora by the French Government and the Government of the United Kingdom.

This loan shall be repaid within the same period as the war material credit referred to in Article 1 above; it shall carry interest at the rate of 3 per cent.

The French Government and the Government of the United Kingdom agree that the service and amortisation of this loan shall be effected in Turkish pounds which shall be utilised for the purchase of tobacco or, by agreement, of other Turkish products.

ARTICLE 5.

The French Government and the Government of the United Kingdom shall place respectively at the disposal of Turkey:

the French Government a loan representing the equivalent in French francs at this present date of £1,500,000,

and the Government of the United Kingdom a loan of £2,000,000.

The Turkish Government undertake to use these sums in the first place for the transfer of the French commercial credits recorded this day in the Clearing Account to a maximum of the equivalent in French francs of £1,500,000 at this present date and of the British commercial credits recorded this day in the Clearing Account to a maximum of £2,000,000.

These loans shall be subject to the same conditions as regards interest and repayment as the loan referred to in Article 4.

The present Agreement shall be considered as an integral part of the Treaty concluded this day between France, the United Kingdom and Turkey.

It shall enter into force at the same time and in the same conditions as that Treaty.

In witness whereof the undersigned Plenipotentiaries, duly authorised to that effect, have signed the present Agreement and have affixed thereto their seals.

Done in triplicate at Angora, this nineteenth day of October, nineteen hundred and thirty-nine.

**ARRANGEMENT RELATIF AU CRÉDIT DE 25 MILLIONS
DE LIVRES STERLING À 4 POUR CENT, 1939.**

CONSIDÉRANT qu'un accord est intervenu entre le Gouvernement du Royaume-Uni de Grande-Bretagne et d'Irlande du Nord, le Gouvernement de la République Française et le Gouvernement de la République Turque pour l'ouverture en faveur du Gouvernement turc d'un crédit de 25 millions de Livres sterling destiné à couvrir des fournitures de matériel de guerre.

Les Gouvernements ci-dessus mentionnés sont convenus des dispositions suivantes en vue de régler les modalités techniques dudit crédit.

ARTICLE 1^{er}.

Le crédit de 25 millions de livres sterling ouvert au Gouvernement turc sera utilisé comme suit :

Le Gouvernement français consentira au Gouvernement turc des cessions de matériel de guerre dont les modalités feront l'objet de conventions particulières à conclure entre les Représentants qualifiés du Gouvernement français et du Gouvernement turc. Au fur et à mesure des échéances prévues dans ces conventions le Gouvernement français, d'accord avec les Représentants qualifiés du Gouvernement turc, versera aux Administrations françaises intéressées les sommes exigibles en application desdites conventions.

Les fournitures à faire par le Royaume-Uni seront effectuées soit sous forme de cessions par les Administrations intéressées, soit sous forme de livraisons par des entreprises privées. Les modalités de ces fournitures seront réglées par une convention spéciale à conclure entre les agents diplomatiques de la République turque à Londres et l'Export Credits Guarantee Department, et par des contrats particuliers avec chaque Administration ou avec chaque entreprise.

Au fur et à mesure des échéances prévues dans cette convention ou dans ces contrats, le Gouvernement du Royaume-Uni, d'accord avec les représentants qualifiés du Gouvernement turc, versera les sommes exigibles aux Administrations ou aux entreprises intéressées par l'entremise d'une banque choisie par le Gouvernement du Royaume-Uni et par le Gouvernement turc. Ces versements se feront sans frais ni commission.

Les versements ainsi faits par le Gouvernement français et par le Gouvernement du Royaume-Uni pour le compte du Gouvernement turc, soit à titre d'acomptes, soit à titre de paiements définitifs, seront inscrits à la date où ils seront effectués au débit d'un compte tenu au nom du Gouvernement turc en livres sterling, et prendront effet, quant aux intérêts et aux conditions de remboursement, à partir de cette date.

Toutefois, pour les fournitures faites au cours de l'année 1939, les montants correspondant à la valeur de ces fournitures seront,

lorsqu'elles auront été arrêtées d'accord avec les représentants qualifiés du Gouvernement turc, portées au débit de son compte aux dates de livraison et prendront effet, quant aux intérêts et aux conditions de remboursement, à partir de ces dates.

ARTICLE 2.

Le Gouvernement turc assurera le remboursement des montants portés au débit de son compte dans les conditions prévues à l'article premier, ainsi que le paiement des intérêts au taux de 4 pour cent l'an, au moyen de versements semestriels en livres turques payables le 30 Juin et le 31 Décembre de chaque année à partir du 30 Juin 1940 inclusivement. Ces versements correspondront à la contrevaleur de montants en livres sterling calculés dans les conditions ci-après :

1° Le 30 Avril 1940, les paiements faits par le Gouvernement français et par le Gouvernement du Royaume-Uni pour le compte du Gouvernement turc jusqu'à cette date seront totalisés, augmentés des intérêts courus sur chaque paiement jusqu'à cette date. Le total obtenu sera ramené sur la base du taux de 4 pour cent l'an à sa valeur réelle au 31 Décembre 1939. La dette ainsi arrêtée sera remboursée par le Gouvernement turc au moyen de 40 semestrialités égales calculées sur la base du taux de 4 pour cent l'an, la première semestrialité venant à échéance le 30 Juin 1940.

2° Le 31 Octobre 1940, les paiements faits par le Gouvernement français et par le Gouvernement du Royaume-Uni pour le compte du Gouvernement turc depuis le 1^{er} Mai 1940 jusqu'au 31 Octobre 1940 seront totalisés, augmentés des intérêts courus sur chaque paiement jusqu'au 31 Octobre 1940. Le total obtenu sera ramené sur la base du taux de 4 pour cent l'an à sa valeur réelle au 30 Juin 1940. La dette ainsi arrêtée sera remboursée par le Gouvernement turc au moyen de 40 semestrialités égales calculées sur la base du taux de 4 pour cent l'an, la première de ces semestrialités venant à échéance le 31 Décembre 1940.

3° Le remboursement des avances ultérieures s'effectuera selon les mêmes modalités : chaque 30 Avril ou chaque 31 Octobre, selon le cas, les paiements faits par le Gouvernement français et par le Gouvernement du Royaume-Uni pour le compte du Gouvernement turc au cours de la période de six mois se terminant à la date en question seront totalisés, augmentés des intérêts courus sur chaque paiement jusqu'à cette date. Le total obtenu sera ramené sur la base du taux de 4 pour cent l'an à sa valeur réelle au 31 Décembre ou au 30 Juin précédent, selon le cas. La dette ainsi arrêtée sera remboursée par le Gouvernement turc au moyen de 40 semestrialités égales calculées sur la base du taux de 4 pour cent l'an, la première semestrialité venant à échéance le 30 Juin ou le 31 Décembre, selon le cas, suivant la date à laquelle la dette aura été arrêtée.

ARTICLE 3.

A chaque échéance le Gouvernement turc versera la contrevaleur en livres turques des montants en livres sterling échus, à un compte spécial ouvert au nom du Gouvernement français et du Gouvernement du Royaume-Uni auprès de la Banque Centrale de la République de Turquie. La conversion des livres sterling en livres turques sera faite d'après le cours d'achat de la Banque Centrale de la République de Turquie pratiqué la veille du jour de l'échéance. Les versements en livres turques ainsi effectués seront libératoires pour le Gouvernement turc.

La disponibilité du compte spécial ci-dessus visé seront utilisées par le Gouvernement français et par le Gouvernement du Royaume-Uni pour l'achat en Turquie de produits turcs de toutes natures destinés à être importés en France et dans le Royaume-Uni pour la consommation intérieure de ces pays.

ARTICLE 4.

Le présent arrangement entrera en vigueur à la date de sa signature.

En foi de quoi, les plénipotentiaires dûment autorisés à cet effet, ont signé le présent arrangement.

Fait en triple exemplaire à Paris le 8 Janvier 1940.

**ARRANGEMENT RELATING TO THE CREDIT OF £25 MILLION
STERLING AT 4 PER CENT., 1939.**

An Agreement having been entered into between the Government of the United Kingdom of Great Britain and Northern Ireland, the Government of the French Republic, and the Government of the Turkish Republic for the opening of a credit of £25 million sterling in favour of the Turkish Government designed to cover the provision of war material.

The above-mentioned Governments have agreed on the following arrangements for the purpose of regulating the technical application of the said credit :—

ARTICLE 1.

The credit of £25 million sterling available to the Turkish Government shall be utilised as follows :—

The French Government shall agree to the delivery to the Turkish Government of war material, the arrangements concerning which

shall be the object of special agreements to be concluded between the qualified representatives of the French Government and Turkish Government. As and when they fall due under these agreements, the French Government, in agreement with the qualified representatives of the Turkish Government, shall pay to the competent French Departments the sums payable under the application of the said arrangements.

The deliveries to be made by the United Kingdom shall be effected either by way of release by the interested Departments or by way of sale by private firms. The manner of these deliveries shall be governed by a special arrangement to be concluded between the diplomatic representatives of the Turkish Republic in London and the Export Credits Guarantee Department, and by the particular contracts with each Department and each firm.

As and when they fall due under this arrangement or these contracts, the Government of the United Kingdom, in accord with the qualified representatives of the Turkish Government, shall pay the amounts due to the interested Departments or firms by the intermediary of a Bank chosen by the Government of the United Kingdom and the Turkish Government. These payments shall be made without charge or commission.

The payments so made by the French Government and the Government of the United Kingdom for the account of the Turkish Government either by way of payments on account or by way of definitive payments, shall be charged, on the date when they are effected, to an account held in the name of the Turkish Government in pounds sterling, and shall as far as interest and conditions of repayment are concerned take effect from that date.

However, for supplies furnished in the course of the year 1939 the amounts corresponding to the value of these supplies shall, when they shall have been fixed in agreement with the qualified representatives of the Turkish Government, be charged to their account from the dates of delivery and shall take effect both as to interest and conditions of repayment as from those dates.

ARTICLE 2.

The Turkish Government shall arrange for the repayment of the amounts charged to their account in the manner laid down in Article 1, as well as the payment of interest at the rate of 4 per cent. per annum, by means of half-yearly payments in Turkish pounds payable on the 30th June and 31st December in each year starting from the 30th June, 1940, inclusive. These payments shall correspond with the equivalent of the sums in pounds sterling calculated in the following manner:—

1. On the 30th April, 1940, the payments made by the French Government and the Government of the United Kingdom on account of the Turkish Government up to that date shall be totalled, with the addition of accumulated interest on each payment up to that

date.. The total so obtained shall be discounted on the basis of the rate of 4 per cent. per annum to its present value as at the 31st December, 1939. The debt thus arrived at shall be repaid by the Turkish Government by means of 40 half-yearly equal payments calculated on the basis of the rate of 4 per cent. per annum, the first half-yearly payment becoming due on the 30th June, 1940.

2. On the 31st October, 1940, the payments made by the French Government and the Government of the United Kingdom for the account of the Turkish Government from the 1st May, 1940, to the 31st October, 1940, shall be totalled, with the addition of the accumulated interest on each payment up to the 31st October, 1940. The sum so obtained shall be discounted on the basis of the rate of 4 per cent. per annum to its present value as at the 30th June, 1940. The debt thus arrived at shall be repaid by the Turkish Government by means of 40 equal half-yearly payments calculated on the basis of the rate of 4 per cent. per annum, the first of these half-yearly payments falling due on the 31st December, 1940.

3. ARTICLE 3.

As each payment becomes due, the Turkish Government shall pay the equivalent in Turkish pounds of the sum in pounds sterling falling due to a Special Account opened in the name of the French Government and the Government of the United Kingdom at the Central Bank of the Republic of Turkey. The conversion of the pounds sterling into Turkish pounds shall be made at the buying rate of the Central Bank of the Republic of Turkey ruling on the day preceding the date on which each payment falls due. The payments in Turkish pounds thus effected shall constitute a full discharge for the Turkish Government.

The balance in the Special Account aforementioned shall be utilised by the French Government and the Government of the United Kingdom for the purchase in Turkey of Turkish commodities of all kinds destined to be imported into France and the United Kingdom for the internal consumption of those countries.
