GOVERNMENT OF THE REPUBLIC OF KOREA AMENDING
AND EXTENDING THE AGREEMENT OF 12 JANUARY 1971

No. 1

*Her Majesty's Ambassador at Seoul to the Minister of Foreign Affairs of
the Republic of Korea*

*British Embassy,
Seoul.*

4 February, 1972.

Excellency,

I have the honour to refer to the exchange of letters of 12 January 1971⁽¹⁾ between Your Excellency's predecessor and the former British Ambassador, Mr. N. C. C. Trench, regarding the establishment of the Wulsan Institute of Technology; to your Ministry's Note No. OTH-1014 of 24 September 1971⁽²⁾ requesting six additional experts for the Institute; and to the Embassy's Note No. 215 of 13 November, 1971,⁽²⁾ concerning the increased ceiling for provision of major equipment to the Institute.

In view of Her Majesty's Government's intention to increase the ceiling for major equipment for the Institute from £100,000 to £320,000 (subject to the conditions set out in the Embassy's Note No. 215 referred to above) and their agreement to provide, subject to availability of personnel, additional Technical Assistance Officers to the Institute, I wish to propose that appropriate addenda to cover these developments should be made to the Technical Assistance Agreement incorporated in the exchange of letters of 12 January 1971.

I accordingly attach an Aide Memoire and I wish to suggest that, if its terms are acceptable to the Government of the Republic of Korea, this letter and your affirmative reply shall constitute an agreement between Her Majesty's Government and the Government of the Republic of Korea which shall enter into force on the date of your reply.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.

AIDE MEMOIRE

This is to revise certain of the terms and conditions of the Agreement between the Government of the Republic of Korea and the Government of the United Kingdom of Great Britain and Northern Ireland concerning the establishment of the Wulsan Institute of Technology, signed on 12 January 1971, as follows:

1. The following is to be read in conjunction with paragraph 6 of the said Agreement. "The Government of the United Kingdom shall increase their contribution of material assistance for major equipment from £100,000 to £320,000 inclusive of the cost of shipping, freight and, where necessary, insurance. This increased sum is a revised estimate of the cost of the equipment already delivered or on order plus the revised lists of equipment discussed earlier this year between the Institute Authorities and a visiting representative of the Overseas Development Administration".
2. Replace the full stop at the end of paragraph 4 (c) of the Agreement by a semi-colon and insert a new sub-paragraph into the Agreement immediately after sub-paragraph 4 (c). This new sub-paragraph to read as follows:

'(d) such other experts as may be agreed between the Government of the Republic of Korea and the Government of the United Kingdom for such periods of time as both Governments shall jointly agree.'
